Introduction	Design simulation and clash detection	Design simulation and project review
Included in AEC Collection	√	

Project viewing		
Real-time navigation	√	√
Whole-team project review	√	√

Model review		
Model file and data aggregation	√	√
Review toolkit	√	√
NWD and DWF publishing	√	√
Collaboration toolkit	√	√

Model simulation and analysis		
5D product scheduling	√	√
Photorealistic model rendering	√	√
Object animation	√	√

Coordination		
BIM coordination with AutoCAD	√	√
BIM 360 Glue intergration	√	√
Clash detection and interference check	√	
Clash and interference management	√	

Quantification		
Intergrated model takeoff	√	√
2D sheet takeoff	√	√
